

PRIVACY POLICY

This privacy policy aims to inform users of the website about how their personal data is collected and used.

Data Collected

The personal data that may be collected includes:

- first and last name
- email address
- contact information
- information provided when booking a session or making an inquiry

This data is collected only when the user:

- fills out a contact form
 - books a session or service
 - registers for a program or newsletter
-

Use of Data

The collected data may be used to:

- respond to contact requests
- manage bookings and services
- send information about services or programs
- improve the user experience

Data is never sold or shared with third parties.

Data Retention

Personal data is retained only for the duration necessary to manage the relationship with the user and in accordance with legal obligations.

Data Protection

The website implements appropriate measures to protect personal data against unauthorized access, loss, or disclosure.

User Rights

In accordance with the General Data Protection Regulation (GDPR), each user has the following rights:

- right of access
- right to rectification
- right to erasure
- right to object
- right to restriction of processing

To exercise these rights, users may contact:
